

## Blood-Stream Infection (CDC)

---

**From:** Young, Christine [Christine.Young@crozer.org]  
**Sent:** Wednesday, November 25, 2009 1:44 PM  
**To:** Blood-Stream Infection (CDC)  
**Subject:** CDC draft guidelines for the prevention of Intravascular catheter related infections

I have a request to modify verbiage from 2% Chlorhexidine to “use an alcoholic Chlorhexidine Gluconate solution greater than 0.5% CHG”

Christine Young CIC, MBA, BS, MT(ASCP)
